

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

November 10, 2021

Dear King Members, Friends, and Family:

COVID-19 continues to spread in our communities. On Monday, Wisconsin had more than 3,000 new confirmed COVID-19 cases for the first time in more than a month.

Since we updated you on November 8th, we have had one employee test positive for COVID-19. Currently we have three cases of COVID-19 on campus (zero members, three employees).

As a reminder, when we have cases of COVID-19 in our facility, we are required to limit visitors. If you are planning on visiting a member, you should double check the unit's status by calling ahead or checking www.WisVetsHomesCOVID.com.

I continue to encourage you to get your COVID-19 vaccine if you haven't already and your booster shot for those who are eligible. Walgreens is sending staff to King to administer boosters for members on November 22-23.

Please continue to follow the guidance set by the Centers for Disease Control when it comes to face coverings, social distancing, and hand washing. Working together, we can stop the spread of COVID-19 by being as safe and responsible as possible.

Sincerely,

Tammy Servatius, Commandant
